

website legal **checklist**

for bloggers, entrepreneurs and
online business owners

welcome!

A website needs a few things to be legal!
This checklist will help you get your
website up to scratch and ensure you
have the right legal pages in place.

Kevin & Sarah

five-step checklist

1

STEP ONE

Determine what pages you are missing from your website:

- privacy policy
- cookie policy
- terms of business
- Disclaimer / testimonials / earnings

2

STEP TWO

I've checked out the generators and tools that will help me with this

3

STEP THREE

I've created the pages and added content to the specific pages.

4

STEP FOUR

I have created a new footer menu to add in my new pages and linked to them where appropriate

5

STEP FIVE

I have looked at consulting a lawyer for the best verbiage for my business
