Re: Disadvantaged Business Enterprise (DBE) Certification

Anniversary Date: Annually on July 1

Dear Mr. Volmar:

The Hillsborough County Aviation Authority (Authority) is pleased to announce that your firm is certified under the Florida Unified Certification Program (UCP) as a DBE in accordance with Part 29, Section 26, Code of Federal Regulations.

DBE certification is continuing but is contingent upon the firm maintaining its eligibility annually through this office. You will be notified of your annual responsibilities in advance of the anniversary date. You must submit the annual No Change Declaration no later than the anniversary date. Failure to do so will result in immediate action to remove certification.

Only those firms listed in the UCP DBE directory are certified by Florida UCP members. Prime contractors and consultants should verify your firm's DBE certification status and identify the work area(s) for which the firm is DBE eligible through this directory.

Your firm will be listed in Florida's UCP DBE directory which can be accessed through the FDOT's website at [www.dot.state.fl.us/equalopportunityoffice](http://www.dot.state.fl.us/equalopportunityoffice) and then selecting "DBE Directory."

DBE certification is not a guarantee of work, but enables the firm to compete for, and perform, contract work on all United States Department of Transportation (USDOT) federal aid (Federal Aviation Administration, Federal Transit Authority, and Federal Highway Administration) projects in Florida as a DBE contractor, sub-contractor, consultant, sub-consultant or material supplier.

If, at any time, there is a material change, including but not limited to, ownership, officers, directors, scope of work being performed, daily operations, affiliations with other businesses or physical location of firm, you must notify this office in writing, without delay. Notification should include support documentation. You will receive timely instruction from this office as to how you should proceed, if necessary.
