## CHEST

Measure around the chest at its wider part.

## WAIST

Measure around waist at the smallest part, just above the navel.

## HIP

Measure around hip at the fullest part of buttocks.

## MEASURING TIPS

Measure directly on the body. The measure tape must be horizontal at all times.  
Your hip measurement is leading.  
If a measurement is between two sizes, order the smaller size for a tighter fit or the bigger size for a looser fit.
